ANAVEON From Cytokines to Therapies

Job Type	**Medical Director, Full Time**
Work Location	Basel, Switzerland

Anaveon is clinical stage immune-cytokine company with a non-alpha IL-2 agonist clinical front runner. In our steadily expanding and dynamic organization, we are looking for an Oncologist with drug development experience.

As Medical Director you will oversee and manage the clinical development for the assigned programs and drive execution of Anaveon's clinical development plan. You will report to the Chief Medical Officer and provide medical and strategic input for all clinical deliverables in the in the assigned clinical programs.

Key responsibilities include:

- Initiating and driving execution of clinical programs and/or clinical trials in collaboration with clinical operations and other relevant internal line functions and CROs
- Supporting the CMO by providing medical input into clinical and regulatory documents (IB, protocols, briefing packages)
- Closely interacting with clinical science and biomarker leaders to accomplish publication goals
- As a medical expert, supports the CMO in interactions with investigators, external and internal stakeholders. Participates and presents at scientific meetings.
- Supporting CMO in ensuring overall safety of the assigned program, based on experience may act as a core member of the Safety Management Team (SMT)

Skills/Knowledge Required:

- MD or MD/PhD with board certification in oncology and clinical focus on solid tumors
- Deep understanding of immuno-oncology treatment landscape
- Proven ability to interpret, discuss and present efficacy and safety data relating to clinical trial(s)
- Minimum of 3-5 years of experience in clinical research or drug development, preferably in industry
- Experience in an academic or industry environment clinical trial activities
- Demonstrated ability to establish effective scientific partnerships with key stakeholders
- Working knowledge of GCP, clinical trial design, statistics, and regulatory and clinical development processes
- Ability to work collaboratively and willingness to relocate to greater Basel Area
